

LEAVE THE ROAD, TAKE THE *Universe* TRAILS.

Introducing our latest laminate collection, where nature meets design. Each pattern in this catalogue has been carefully crafted to mimic the beauty and elegance of the natural world. From the rich textures of the wood grain to the delicate patterns of stones and earth, our laminate is the perfect way to bring a touch of the outdoors into your home. The unsettling thrust within us makes us travel off the road, to the unknown and unexplored. Challenging trails, mystic forests, stormy deserts, profound oceans - this curated collection of laminates is inspired from the best of nature.

ELEVATE YOUR SPACES, ELEVATE YOUR ART

Design is an art form, and our spaces are its canvas. The laminates in this collection have been carefully curated to bring unparalleled elegance and beauty to your creations. Through extensive research and collaboration with industry professionals, including interior designers, architects, and artisans, we have crafted a selection of laminates that exudes a natural harmony of ambience, richness, and aesthetics. These laminates will elevate the aura of your spaces, leaving a lasting impression on all who enter.

VIRGO GROUP'S MARKET LEADING BRANDS

Excelling Ahead

Story of Virgo Group

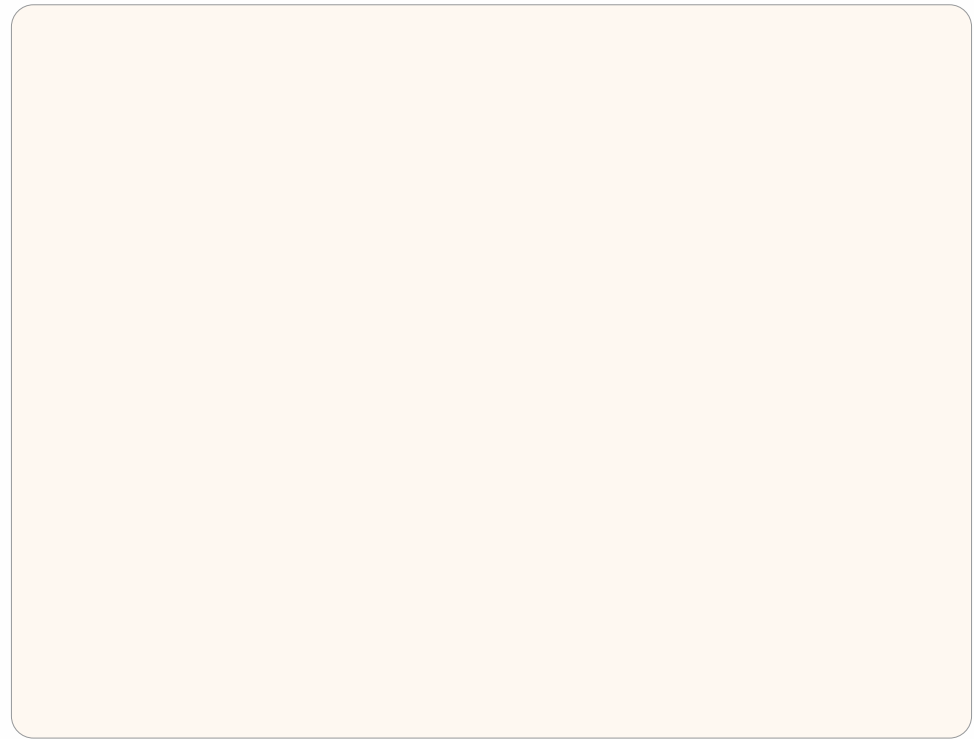

Perfection lies in the DNA of the Virgo Group. This is a reason why it is one of the most trusted names in the industry. The journey of Virgo Group started in the year 1993, with plywood manufacturing. Since then Virgo Group has left a mark with its quest for excellence. In the past 3 decades, the company has grown into different verticals such as Aluminium, PVC, Laminates and other Industries. Virgo Group's keen eye for detail and commitment to bringing the freshest, most relevant trends to the market sets them apart. With a workforce of over 3000 employees across India, Virgo Group is a leader in sustainable business practices, and social initiatives, and the efficient management group has achieved 14001 certifications.

PUREST & MINIMALIST

A white reminiscent of a traditional sense of warmth covering the entire space. This shade works with every colour. Additionally the fluted groove pattern is complementing the minimalist style of any space
