SPECIFICATIONS

Thickness : 1.25 MM (±10%)

Standard Size : 1220mm x 2440mm (8 feet X 4 feet)

Range : These Luxury PVC Laminates come in a wide range of design, colours and finishes.

CUSTOMIZED SIZES AND SHADES CAN BE DEVELOPED ON REQUEST.

Adhesive : These laminates are easy to apply with the standard laminating system, including most of the conventional adhesives normally used with plastic laminates such as many water based and solvent based. We do not recommend the use of heat activated adhesives.

Lamination : Proper substrates must be used and careful bonding procedures must be observed.

Substrates should be of good quality plywood, PVC Board high density particle board, or high quality fiber board.

the face of the substrate must be smooth and free of grease, wax, dust, chips and other foreign matter. we DO NOT recommend any kind of coat like PU base, melamine laminates (wax) on our products.

Cutting & Machining : These laminates can be cut by using sharpt diamond blade cutter only. We recommend the use of smooth file to feather all corner edges.

Bending and Forming : Kindly use V-Groove cutter to bend the sheets at 90°. For any difficulty please contact KAIROS DECOR

Maintenance : Any cleaning agent containing acids, alkalis or abrasive should NOT be used to clean the laminate. Exposure to sunlight should be avoided.

Note : Kairos Decor warrants that all its Products are free from manufacturing defects and perfectly fit for use in normal conditions. All the anti-viral and anti bacterial activities are prevented and checked at the time of manufacturing only. No responsibility afterwards. In case of any claim, the liability of the company's is however limited to the cost of the product only. These may be colour variation from batch to batch pduction. The sample swatches only represent the designs, colours and finish. They do not represent the actual thickness.

KINDLY REMOVE THE PROTECTIVE FILM WITHIN 7 DAYS OF INSTALLATION OF LAMINATES.
