Creating the art of Stylish Living

At Virgo, quality is of utmost importance and we maintain the same in all the business heads of ours. We never compromise on quality and that is why we are recognized as indisputable leaders of laminate, plywood, aluminum, PVC and ACP. Apart from our adherence to quality, our 30 years long experience trail helps us deliver unmatched products to our customer. Be it laminate, plywood, aluminum products, for us, customers satisfaction is a barometer of our progress. In fact, we also focus on the overall development of society by favouring sustainable development. We are equivalently concerned about the environment, so we produce eco-friendly products that do not harm nature. We always stick to our ethos, value system and professionalism that fuel our spirit to serve the finest quality products. This is applicable in each and every stage of the manufacturing process. Right from picking up the raw materials to serving the final product, we observe all the standards of quality and safety due to which, today, we have earned the market recognition of highest producer and exporter of laminates. We aspire to hold this position for many more years to come by keeping on innovating and serving exactly the right products.
